About

Dutch DJ Absoluut (Evert Groot) started out in 2008 at the iconic venue Studio 80 in Amsterdam.

Nowadays he plays a wide range of events; from large festivals like Milkshake Festival in Amsterdam and club events like Rebel Night in Milan to wedding celebrations and brand events.

He runs his own party BOPS in the Netherlands and has performed at iconic venues including the Dutch pop temple Paradiso as well as events in Antwerp and Madrid.

Music

Absoluut plays iconic hits, nostalgic anthems, and fresh tracks, blending pop, disco and house into an uplifting mix.

From chill tunes during cocktail hour to all-out dancing at a late-night party, Absoluut adapts to every part of the day to match and amplify the mood.

He can take care of the playlist and is also able to collaborate with couples on their must-plays. He then weaves those songs seamlessly into sets that keeps guests of all generations dancing.
